The sentence of a Court-Martial, placing an Officer at the bottom of the list of his rank, involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby deprives him his Full and Half-Pay, in cases where the same depend upon seniority; and carries with it the loss of the benefit of the service included in the seniority granted, in cases where the Full and Half-Pay depend upon actual service.

To increase the system of limited competition for naval cadships; and

To further to reduce the number of naval cadets actually entered;

No marks amounting to less than one-sixth in a voluntary subject will be counted towards the total.

9. A candidate who obtains the number of marks prescribed for passing, but who may not be successful in the competition, will be allowed to compete once again at the next examination without undergoing a fresh medical examination, although he may then be over-age; but no candidate will be allowed to compete more than twice.

10. Any candidate who fails to appear at the next examination after he has obtained a nomination will not be allowed to present himself without a fresh nomination, except in the case of illness, certified by a physician or surgeon, approved by their Lordships, in which latter case non-appearance will have the effect of unsuccessful competition, entitling the candidate to present himself at the following examination only.

11. Every flag officer (except an admiral superintendent of a dockyard), on hoisting his flag will be allowed 3 competitive nominations.

Every commodore of the first class 2 " "

Every captain appointed to the command of a ship of whatever class (except captains of stationary ships, captains superintendent of dockyards, or victualling yards, and the captain of the yacht) 1 " "

but no officer will be allowed to exercise this right a second time within three years; and no captain appointed to a ship during his commission will be allowed a nomination if the right has been exercised within a year during the same commission by a previous captain.

Officers having nominations must exercise their privilege before the 15th April for the June examination, and before the 1st October for the November examination. If they fail to nominate for the first examination after their appointment they will only be allowed to nominate for the following examination.

If a candidate, nominated for the first examination at which an officer can exercise his privilege, fails to pass the test at the medical examination, the officer will be allowed a fresh nomination for the following examination,—but in no other case. No fresh nomination will be allowed where the candidate fails to pass the test at the examination under the Director of Education.

12. Seven nominations will be given annually to the colonies, under the regulations hitherto in force as to nomination and examination; but the limits of age will be from 12 to 13½ if examined before the 15th October, 1870—and from 12 to 13 if examined after that date.

Cadets passing in the colonies will, in all other respects, be subject to these regulations, and must be at once sent to England to undergo the course of training.

Printed examination papers will be sent 'out to Commanders-in-Chief and Senior Officers on foreign stations, under seal, and the candidates' examination papers, with a report of the marks awarded at the examination, are to be forwarded to the Admiralty (should the candidate succeed in passing), together with the duplicate certificate of health.

13. For all cadets, including colonial cadets, entered under these regulations after the examination in August 1869, the annual rate of payment will be, as at present (40*l.* a-year), during the year 1870, and afterwards at the rate of 70*l.* per annum for the period in the "Britannia," and 50*l.* for the year in the sea-going training ship, to be paid half-yearly, in advance, to the Accountant General of the Navy. But the Lords Commissioners of the Admiralty reserve the power of selecting from among the candidates nominated at each half-yearly examination a number, not to exceed 12, being sons of Officers of the Royal Navy or Marines, or of civil officers under the Board of Admiralty, with respect to whom the annual payment for the two years in the "Britannia" will be 40*l.* only. In selecting these their Lordships will have regard solely to the pecuniary circumstances of the parents or guardians of the cadets.

In the event of the full number so selected not succeeding in the competition, their Lordships will, if they think proper, make the number up from among the sons of officers as above who have succeeded at that examination.

14. Candidates who succeed in the competition will be appointed to the "Britannia."

15. The date of entry of those who pass in June is to reckon from the 15th July of the same year; of those who pass in November from the 15th January of the next year.

16. The period of training on board the "Britannia" will be, as now, four terms; but there will be two terms in each year, instead of three. The first term of each year will be

from February to July, the second from August to November.

The vacations will be—4 weeks at Midsummer, 4 weeks at Christmas, and a week at Easter.

17. There will be an examination at the end of each term and an intermediate examination at Easter for cadets in their first year.

18. Cadets who join in August and who pass in the factory examination in December will be waived that they will be discharged at the following Easter if they show sufficient improvement. Cadets who join in February and pass an unsatisfactory examination at Easter will be similarly warned with respect to the examination in December.

Any cadet who passes unsatisfactorily at a subsequent examination will be discharged.

19. Notice will be given of the minimum number of marks which must be obtained at each examination.

20. At the examination at the end of the fourth term will be classified according to their merits in each conduct; and they will be allowed time for that on the "Britannia" as follows:—

	Study.	"Very good."
	Time allowed.	Time allowed.
	Months.	Months.
1st Class	3	3
2nd Class	6	6
3rd Class	None	None

21. The examination and rating of cadets, as now in the sea-going training ships is to be regulated at the time notified in their certificates, thus:

"Cadets who obtain 12 months' time will be ready to pass on passing out of the "Britannia."

"Cadets who obtain 6 months' time will have to pass on passing out of the "Britannia."

"Cadets who obtain no time will have to pass on passing out of the "Britannia."

in the sea-going training ships before being admitted as midshipmen.

22. After passing the final examination in the "Britannia" the midshipmen and cadets will be appointed to a training ship for one year.

23. Any cadet or midshipman who, at any time during his three years' probation, may be certified by the master of the "Britannia" or of the sea-going training ship to become subject to any disease or physical defect rendering him unfit for service will, on the examination reported to their Lordships, be at once discharged.

24. After six months in the sea-going training ship examination is to be held, and at the end of twelve months; and any midshipman or cadet failing the test at either of these examinations will be at once sent from Her Majesty's Service.

At the latter of these examinations they will be divided into three classes, both for examination and study.

25. The examination paper for the first examination will be transmitted under seal to the sea-going training ship, the work of the cadets or midshipmen is to be sent to the Admiralty.

26. Full time will be allowed to every midshipman for his period of service in the sea-going training ship; and additional time will be allowed to every midshipman whose conduct has been uniformly good, as uniformly good.

1st Class Seaman ship 1st Study

In the case of those who having gained 12 months' time in the "Britannia" gain also 6 months' time in the sea-going training ship, the rule as regards the age (19) of a lieutenant will be relaxed,—and they will be allowed at 12, provided they have completed the necessary but they will not be eligible for promotion from sub-lieutenant to that of lieutenant till they are 20 years of age.

27. The period of service required to enable a cadet for lieutenant will be five years, including the time in the training ships, but this rule will only apply to those who entered the Service under these Regulations.

28. The parent or guardian of every cadet will be required to provide outfit as under the present regulations, and a declaration (on the admission of the cadet to the "Britannia") to the effect that he shall be immediately bound on the receipt of an official intimation of his being unfit for the Royal Navy.

5. That he has received a preliminary Classical Education.
6. That subsequently to the age of eighteen he has actually attended a recognised Hospital for eighteen months, in which the average number of patients is not less than one hundred.

7. That he has been engaged in actual dissection for twelve months, and that he has performed the principal capital and minor operations on the dead body under a qualified teacher. The Certificates of Practical Anatomy must state the number of subjects or parts dissected by the Candidate.

8. On producing the above Certificates he will be examined before a Board of Naval Medical Officers, specially summoned by their Lordships, on the following subjects, viz. :—

Anatomy.	Chemistry.
Surgery.	Materia Medica.
Physiology, or Institutes of Medicine.	Midwifery.
Practice of Medicine.	Botany.

9. Although the above are the only qualifications which are actually required in Candidates for the appointment of Assistant-Surgeon, a favourable consideration will be given to those who have obtained the degree of M.D. from any University in the United Kingdom, or who, by possessing a knowledge of the Diseases of the Eye, or of any branch of science connected with the Profession, such as Medical Jurisprudence, Natural History, and Natural Philosophy, appear to be more peculiarly eligible for admission into the Service, observing, however, that lectures on these or any other subjects cannot be admitted as compensating for any deficiency in those required by the Regulations.

10. Such Candidates as shall have been found in all respects competent for the appointment of Assistant-Surgeon, will be forthwith nominated to one of Her Majesty's Ships, or to a Naval Hospital at home; or, should their services not be immediately required, their names will be duly registered for early appointments as vacancies may occur. But it is distinctly to be observed, that Candidates admitted into the Naval Medical Service must serve in whatever Ship they may be appointed to; and that in the event of their being unable to do so from sickness, their names cannot be continued on the Naval Medical List, nor can they, of course, be allowed Half Pay.

11. By the rules of the Service no Assistant-Surgeon can be promoted to the rank of Surgeon until he shall have served five years, two of which must have been in a Ship actually employed at Sea, after which he will be required to pass an examination before a Board of Naval Medical Officers, assembled at the Department of the Medical Director-General of the Navy.

12. Assistant-Surgeons at home, after completing the stipulated five years' service, may, if the public service will admit, be granted two months' leave of absence on Full Pay on condition of their resuming their studies at a Medical School or Hospital.

13. Their Lordships have been pleased further to direct that a limited number of those Candidates who pass the best examination on entering the Service shall be promoted annually to the rank of Surgeon at an earlier period than would occur under ordinary circumstances; and that these promotions shall be awarded as follows:—

The Candidate who passes the best examination of his year—after five years' service.

The Candidate who passes the second best examination of his year—after six years' service.

The Candidate who passes the third examination of his year—after seven years' service.

Provided, however, that their second examinations are passed in an equally creditable manner, and that their conduct during the whole time they have been in the Service has in all respects been satisfactory.

By command of their Lordships, HENRY G. LENNOX.

Those who pass the preliminary test will then undergo a Competitive examination in the remaining subjects, and the Candidates display a competent knowledge of all the above will be placed in one general list in order of merit, and the number of marks gained, and will be eligible for appointment in existing vacancies. Those who succeed at the first examination will be allowed to sit for a second examination; but they must apply to the Superintendents for a second nomination.

7. Engineer Students will be employed in the Factories for a period of six years, with a view to their becoming Engineers if, on examination at the end of that period, they are found to possess the necessary qualifications. The certificate will be of two classes. To obtain a first-class certificate a Student must gain 1150 marks, which must comprise three-fourths of the marks in the subjects marked. A first-class certificate entitles a Student, in respect of promotion, as equal to one year's service. The Chief Engineer and Inspector of the Dockyard will also examine the Engineer Students twice a year, to see their progress in practical studies, and no Engineer Student will be entered in the Navy until the Chief Engineer is satisfied by his skill as a workman, his knowledge of the principles of machinery, and his good and steady conduct, that he is qualified for the appointment of Assistant Engineer.

Engineer Students who may fail to attain the required standard at the end of six years, may be permitted to present themselves a second time, at the next yearly examination of the Director of Education; and to obtain their certificate at the second examination will come to be eligible for the Naval Service.

The weekly pay of Engineer Students will be 8s. for the first year of their training, and if they are recommended by the Chief Engineer and Inspector of Machinery, it will be increased 2s. a week each year until the third year, and then increased 4s., making their wages 24s. a week for the last year.

CIRCULAR No. 36.—L.M.M.

Admiralty, 24th June, 1869.

BEARDS AND MOUSTACHES IN THE ROYAL NAVY.

The Lords Commissioners of the Admiralty have had under their consideration the provisions of the Chapter 44, Article 43, page 336 of the regulations, forbidding the wearing of Beards and Moustaches by Officers and Men of the Fleet.

Representations having been made to their Lordships that it would conduce to the health and comfort of men, under many circumstances of service, were they to be permitted to discontinue the use of the Razor on board Her Majesty's Ships, they have been pleased to issue the following Regulations:—

1. Clause 43, Chapter 64, of the Regulations is repealed, and Officers and Men on board Her Majesty's Ships, including the Royal Marines when embarked, will in future be permitted to wear Beards and Moustaches.

2. In all cases, when the permission granted in Clause 1 is taken advantage of, the use of the Razor must be entirely discontinued. Moustaches are not to be worn without the Beard, nor is the Beard to be worn without the Moustaches.

3. The Hair of Beard, Moustaches, and Whiskers, is to be kept well cut and trimmed, and not too long for cleanliness. The Captain is to give such directions as seem to him desirable upon these heads, and to establish, so far as may be practicable, uniformity as to length of the Hair, Beards, Moustaches, and Whiskers of his Men; observing that those Men who do not avail themselves of the permission to wear Beard and Moustaches will wear their Hair and Whiskers as heretofore.

4. Officers of Divisions will take special care that the provisions of Clauses 2 and 3 are strictly attended to by such of their Men as may avail themselves of the permission contained in Clause 1, and failure in these respects is to be considered as an offence under Article C in the Table of Summary Punishments.

5. Royal Marines on shore will follow the Regulations of the Army with regard to Beard and Moustaches.

6. Their Lordships desire that it may be distinctly understood that permission now given to wear Beards and Moustaches is not necessarily to be considered as per-

manent, and that if neatness and cleanliness are not observed this order will be revoked.

By Command of their Lordships,

W. G. BOWLING.

To all Commanders-in-Chief, &c.

CIRCULAR No. 67, LMM.

Admiralty, 28th December, 1869.

BEARDS AND MOUSTACHES FOR ROYAL MARINES.

1. The Lords Commissioners of the Admiralty have observed that the provisions of Circular No. 36, of 24th June, 1869, have not been uniformly interpreted as to the Royal Marines embarked on board Her Majesty's Ships, and they are pleased to direct as follows:—

2. Officers and Men of the Royal Marines may wear their Moustaches only, when embarked, should they prefer so to do.

3. Considering the hardships that might be involved in compelling such Officers and Men of the Royal Marines to elect to wear both Beards and Moustaches when embarked, so shave their Beards on being discharged at Head Quarters on shore, their Lordships are pleased to direct that the permission to wear Beards on board will, if granted by Circular No. 36, shall be extended to all Officers and Men of the Royal Marines on shore.

4. In other respects, the provisions of the above Circular apply to Royal Marines on shore, as well as at sea, and the attention of Commanding Officers is especially called to the necessity of enforcing neatness and cleanliness.

By command of their Lordships,

VERNON LUSHINGTON.

These Officers will receive, as at present, the Half-pay of Rear-Admirals, but they will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150*l.* each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service; such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. Vacancies on the List of Flag Officers on Reserved Half-pay, receipt of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

Officers named on the Flag List after this date will be subject to compulsory retirement at the age specified above, whether they have served or not.

CAPTAINS.

1847.

The plan of Retirement, published in the London Gazette of 1st Sept., 1845, and carried out by Her Majesty's Order in Council of 24th April, 1847, provides:—

1st. That the rank of Retired Rear-Admiral shall be given, by Seniority, to such applicants from the 14*th* 6*d*. Half-pay List as may be willing to accept it, with the pay of 1*l.* 5*s.* per diem, and the corresponding pension to their widows, under the usual restrictions.

2nd. An addition of 7*s.* 6*d.* per day to be given to such Captains, by Seniority, from the 12*th* 6*d.* and 10*th* 6*d.* Half-pay Lists, being Captains of not less than 20 years' service, and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at a period when they would have obtained the Flag by Seniority, had they remained upon the Active List, and (under circumstances) in Council of 17 May, 1859) to rise to the higher grade, the Flag List, according to the Seniority which they respectively held on the List of Captains. Their widows to

entitled to a pension of 110*l.* per annum, and to the pension of a Retired Admiral's widow when the rank of Retired Rear-Admiral has been attained.

In the vacancies upon the 11. List to be filled up, in order of seniority, by Officers then accepting the 18*s.* per diem, but to new admissions to the 11. 5*s.* List to be made only in reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be maintained, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 11. 5*s.* per diem, and the remaining 75, 11. per diem, with the right of promotion to the rank of Retired Rear-Admiral when entitled to by seniority.

1851.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reduction shall be effected as follows, viz.—

In the vacancies occur on the Active List of Flag Officers, to be filled up in seniority, who has served for his Flag, to be promoted; reserving, however, Her Majesty's unqualified right of selection. Those Captains will rise to the rank of Rear-Admiral who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but to be paid Half-pay only of Rear-Admirals.

In the vacancies up to the Retirement of 1846 to the number 350, to be effected by permitting Captains who are above 50 years of age, and who have been on the Captain's List for 10 years, to be eligible for retirement. The Retirement List to be kept up to 350 until the List of Captains shall be reduced to 350. The Retired List then to be diminished by the filling up in two vacancies until it shall be reduced to 350.

By observing the rule of promotion, as it is now in force, the number of Captains in three vacancies, except in special cases, will be reduced, until the number is reduced to 350. The Captains have recommended the abandonment of the rule of promotion in future, they are nevertheless to be considered as meeting the claims of old officers who have served long and well, and who seek their promotion for past services, than in the expectation of future employment. To meet these claims equitably, the number of Captains not to fill the Active List with Officers to be reduced to 350, and for service, their Lordships to be promoted to the rank of Rear-Admiral, and to be placed on reserved Half-pay. The number of Captains will be selected in the present year, and 10 each succeeding year, until the number reaches 50, and the number will be filled up. (Further provision to be made by Order in Council of 1st August, 1860, that Commanders who have been promoted to the rank of Captain under the Order in Council of 22nd June, 1851, and 18th January, 1856, will be promoted to the rank of Captain under that Order in Council, and to be placed on the C.D.E. List as at present, and to be removed to the C.D.E. List as at present, under Order in Council of 22nd February, 1860.

1. Captains to be retired on attaining 60 years of age, or when physically unfit for service, on the terms of the Order in Council of 9th July, 1864. Those at present on the Active List, who, before attaining the age of sixty, shall have served the necessary time to qualify them for promotion to the Active Flag List, are to be allowed to retain their places on the Active List, if they should prefer it; but no Captain will be eligible for promotion to the Active Flag List after 60 years of age, or when physically unfit for service.

2. Officers promoted to the rank of Captain after the date authorized by Her Majesty's Order in Council, to be subjected to compulsory retirement on attaining the age of 60, whether they have served or not.

3. Captains of 60 years of age who have served the necessary time to qualify them for promotion to the Active Flag List, and who remain on the Captains' List, until promoted to Rear-Admiral, to be placed on the Retired List, but will be allowed to rise by seniority to the Rank and Pay of Rear-Admiral.

of Vice-Admiral and Admiral respectively. Captains who have served their time, but who retire voluntarily before reaching the top of the List, will not be entitled to rise to higher pay as Flag Officers than 25*g*. a-day, in accordance with the Order in Council of 9th July, 1864.

4. Captains who have not served their time for Active Flag Rank, and who have been unemployed for ten years, to

be retired on the terms of the Order in Council of 9th July, 1864.

5. Captains' List to be reduced gradually to 250, by filling up only two out of every three vacancies caused by retirements from that List, whether optional or compulsory. Vacancies from all other causes are to be filled up as they occur.

COMMANDERS.

1840.

This List consists of 50 of the Senior Commanders on the List, who have the option of receiving the Retired Rank of Captain, with the Half-pay of 10*g*. 6*d*. per diem, being the lowest rate of Half-pay allowed to a Captain. Their widows are allowed pensions of 70*g*. per annum if otherwise entitled thereto.

H.

1851.

The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus:—

I.

1. By selecting 50 Commanders to be Captains, as above specified.

2. By increasing to 100 the List of Commanders promoted to the rank of Retired Captain under the Order in Council of 1840, and keeping such Retirement open until the number of Commanders on the Active List is reduced to 450.

L.

3. By placing on reserved half-pay all Commanders who have not served afloat, or in the Packet or Revenue Service, within twenty years, or who are physically incapable of service, and by continuing from time to time to remove such Officers from the Active List to reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension. (This List was abolished in May, 1853.)

M.

4. The system of promoting by brevet will be abandoned. 50 Lieutenants, however, will be promoted by selection to the rank of Commander, to be placed on reserved half-pay, in the same manner as specified in the case of Commanders promoted to be Captains. (Further promotion to this List is abolished by Order in Council of 1st August, 1860.)

5. By observing the rule of promotion of one in three vacancies (except in special and individual cases), as now in force, until the number on the Active List shall be reduced to 450.

1856.

1. That the List of Commanders on the Reserved List, established by Order in Council of 26th of June, 1851, be increased from 50 to 100, by selecting from the Active List of Commanders a number not exceeding 15 in the present and in each succeeding year, till the number of 100 be complete, when the vacancies only are to be filled up, by selection also from the Active List.

2. That the List of Retired Captains (established by Order in Council of 10th August, 1840, and increased by Order in Council of 26th June, 1851) be increased temporarily from 100 to 250, and permanently to 200. To effect this subsequent reduction, one Officer only will be promoted in two vacancies till the List be reduced to its permanent number of 200, but thenceforward one Officer will be promoted in each vacancy.

K.

1860.

V. All Commanders on the Active List who have attained the age of 50, or who may hereafter attain that age, to be placed on a Retired List, with the rank and title of Retired Captain, and to receive Half Pay, according to their length of Sea Service, on the scale hereinafter mentioned.

V. Commanders on the Active List, who have not been employed either afloat, in command of Revenue Vessels, in the Coast Guard, or as Mail or Transport Agents, within a

period of fifteen years, to be placed on a Retired List, and to receive Retired Pay according to their amount of Sea Service, also on the same scale as hereafter mentioned; such Officers to be permitted to assume the rank and title of Retired Captain on reaching the age of 60, without further addition to their Retired Pay.

1864.

1. The Active List of Commanders to be reduced from 450 to 400.

2. The existing system of placing on the Retired List under the conditions specified in the Order in Council of August, 1860, all Commanders who have not served within a period of fifteen years, either afloat or in command of Revenue Vessels, or in the Coast-Guard, or as Mail Agent or Transport Officer, to be extended to Commanders who have not been so employed during a period of ten years, or Officers, and Officers of Greenwich Hospital of similar rank, to be permitted to assume the rank and title of Retired Captain on reaching the age of 60, or on attaining twenty years' seniority on the scale of Commanders, and to receive on their retirement, pay on the scale provided for in the said Order in Council, with this difference only, that Officers who shall in future retire will be allowed to receive the same service in the Coast-Guard on shore, or Transport Service on shore, as half the same period served at sea, instead of third, as at present.

3. The same plan of retirement, with its corresponding benefits of rank and Retired Pay, to be extended to Commanders who may have attained the age of 50, provided they will be willing and desirous to accept the same.

4. A limited number of Commanders who may have attained the age of 45, and who are not desirous of further employment, may be retired on the same condition, at the discretion of the Board of Admiralty. When the Active List of Commanders shall have been reduced to 400, no further retirement of Officers is to place under this clause.

5. Commanders who have already been removed from the Active to the Retired List of that rank, under the provisions of the Order in Council of August, 1860, as well as those who may hereafter so retire, to be allowed to assume the rank of Retired Captain, on attaining fifteen years' seniority without any increase of Half-pay or Widowed Pay, beyond that authorized by the said Order in Council.

1866.

Commanders to be retired at the age of 55, or who may be physically unfit for service, may be allowed to retire at the age of 60, with the consent of the Admiralty, on the same terms as in the Order in Council of 9th July, 1864.

LIEUTENANTS.

1816.

The List consists of the 100 Senior Lieutenants, who, by and infirmities, are presumed to be incapable of service, and who are permitted to retire at a pension of £1 a day, with the rank of Commander. Their widows have a pension of 60*l.* per annum.

1830.

By the Order in Council the Board of Admiralty are directed to confer the rank and title of a Retired Commander on every Lieutenant who has reached, or shall have reached, the situation on the List of Lieutenants which entitles him to receive 7*s.* a day Half-pay. Such Lieutenants are not to receive any increase to their pay as Lieutenant until they shall have attained the rank of Retired Commanders established by the Order in Council of 5th January, 1816. They cannot be employed afloat, or in any situation usually held by Lieutenants, if holding such, they must resign, if they wish to take advantage of the proposed Regulations.

1851.

The number of Lieutenants on the Active List will be reduced to a number not permanently exceeding 1200, viz.: by the promotion of 50 Lieutenants by selection, as follows.

By placing on the reserved Half-pay List all Lieutenants who have served afloat, or in the Packet or Revenue service, within 2 years, and all such as are physically unable to do so, and by removing from time to time such Officers as are entitled to the Reserved Half-pay List, reserving to the Board of Admiralty, all the advantages they are entitled to of sitting in pay or rank, or of receiving the same Out-Pension. (This List was abolished by Order in Council of August, 1860.)

By keeping up the rule of promoting one officer in preference to another (except in special and individual cases) till the number of Lieutenants on the Active List shall be reduced to 1200.

The promotion of Masters to be Lieutenants will hereafter be suspended; but whereas in cases of war, or of other emergency, Her Majesty may be pleased by her Order in Council to call such officers from the Reserved List into service, Her Majesty has been pleased to approve that those who may be so employed shall be in all respects entitled to the pay and emoluments of their respective ranks while so employed.

1856.

By the Order in Council, this Order in Council directs that the Reserved List, consisting of 50 Commanders, established by Order in Council of 25th June, 1830, be increased to 100: such increase to be effected by placing on the Active List of Lieutenants a number not exceeding 10 in the present, and in each succeeding year, until the number of 100 be complete, when the vacancies only shall be filled up, by selection also from the Active List.

1860.

By the Order in Council, who have attained or may attain the age of 60, to be placed on a Retired List

with the Rank of Retired Commander, and to receive pay according to their Sea Service on the hereinafter-mentioned scale.

Lieutenants on the Active List, who have not been employed, either afloat, in the Coast-Guard, in command of Revenue Vessels, or as Mail or Transport Agents, within a period of 15 years, to be placed on a Retired List, and to receive pay also on the same scale as hereinafter mentioned. REGULATIONS RELATING TO PENSIONS TO WIDOWS, AND COMPASSIONATE ALLOWANCES TO CHILDREN.

1. Widows of Commission and Warrant Officers of the Royal Navy, and of Commission Officers of Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the table in the Appendix, and subject to the following regulations:

2. The Pensions authorized by these Regulations cannot be claimed as a *Right*:—they are granted as rewards for good and faithful service rendered by deceased Officers:—they will only be conferred on persons deserving the Public Bounty:—they will not be granted to Widows left in wealthy circumstances, and are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

3. The Pensions of all Widows shall commence from the day following that in which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of Pension to which she would have been entitled to if living, shall not be allowed to her representatives.

6. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband, being a Commission Officer, married after the age of Sixty Years,—or, being a Chief Gunner, Chief Boatwain, Chief Carpenter, or a Warrant Officer, after the age of Fifty Years.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon: provided he was officially warned that his Widow would thereby forfeit the Pension.

iii. If her husband had been guilty of any fraudulent misapplication of the public money, discovered and proved in the final settlement of his accounts.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign State, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in the Sea Service; but the Admiralty may grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, in such cases as they think proper.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity.

viii. If she shall be left in wealthy circumstances.

7. The Widows of Commission Officers (except Chaplains) who shall have married after the 31st of December, 1830, are only entitled to the Pensions of their respective classes, in the event of their Husbands having been on the List of Commission Officers, or on the List of Naval Instructors, ten complete years, except the Husband be killed in action, or lose his life in the execution of the Service. If, however, the Officer died from the effects of foreign service, then, provided he had been five years on the List,—was in good health when he married,—and it be clearly shewn that the disease which occasioned his death resulted from such service alone, did not arise from constitutional predisposition, and was not brought on by any misconduct, or by any circumstances over which the Officer himself had control.

The Widows of Chief Gunners, Chief Boatwains, Chief Carpenters, are only entitled to Pensions in the event of their Husbands having been confirmed in the rank one year; and the Widows of Warrant Officers (Gunners, Boatwains, and Carpenters) are only entitled to Pensions in the event of their Husbands having been warranted for a period of one year (acting time included) and provided they shall have been confirmed in the rank of Warrant Officer.

8. No Widow shall receive a Pension as a Chaplain's Widow, unless her Husband shall have been in Priest's Orders, nor unless his name was on the List at the time of his death, nor unless she shall have been married during, or prior to, her Husband's Service in the Navy, and unless her Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served the length of time to entitle him to Half-Pay;* but by Order in

Council of the 1st November, 1864, the Widows of Chaplains dying after that date, who shall have completed 10 Years' Service on Full Pay, may be granted Pensions although no portion of such service be subsequent to their marriage, provided they are otherwise qualified, accord to the existing regulations governing the grant of Pensions.

9. The Pensions of Widows who shall have married prior to the 31st of December, 1830, shall be paid to themselves, and their receipts shall, notwithstanding their nature, be deemed a sufficient discharge for the payment of their Pensions.

10. In all cases of a Widow re-marrying, on or after the 6th August, 1861, her Pension shall be suspended the date of her re-marriage; but in the event of again becoming a Widow, her Pension may be resumed upon proof being adduced to the Admiralty that she is in wealthy circumstances, and is otherwise deserving Public Bounty, but it will be again liable to suspension in future re-marriage. Widows who are re-married the date of these instructions, and thereby forfeit Pensions, will not have the same restored to them in the event of their again becoming Widows.

11. Every Officer, whether on Full or Half-Pay, in order to facilitate the decision upon the claim of his Widow after his decease, to the benefit of these regulations, his marriage within six months of its taking place, to the Admiralty, according to the Form in the Appendix.

12. With respect to marriages contracted after the 1st June 1861, no one will be admitted, for the purposes of these Regulations, which cannot be proved either by an extract of the Kirk Session, or other legal record of the date of the marriage shall have been celebrated, an acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties to it in Scotland, in presence of a Magistrate, according to the Form in the Appendix.

13. *Mothers.*—When an Officer is killed in action, leaving no Widow nor legitimate child, but leaving a child who is a Widow in distressed circumstances, and dependent upon him, the mother shall receive an equal to the ordinary rate of Widow's Pension in the rank which her Son held at the time of his death. If such Mother shall herself be in the receipt of any kind from the public, in that case no Allowance made to her on account of her Son, unless she be the mother of another Pension or Allowance, and the Pension Mother on account of her Son will be forfeited in the event of her re-marrying, and will not be restored in the event of her becoming a Widow.

14. *Sisters.*—Sisters of Officers are not eligible for Allowance, unless under very special and extraordinary circumstances, to be judged of by the Lords of the Treasury. The Allowance will not exceed the Pension which would be given to a Mother, and will not be granted unless the Officer shall have fallen in action, or died of wounds received in action, within six months of his death, and shall have left no Widow, Child, nor Mother, nor unless the Sister shall be a widow, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension granted, will cease when the person receiving it dies, or be in any other manner sufficiently provided for.

15. *Children of Officers.*—Allowances on the Pension List to the legitimate Children of deceased Officers, will be given in those cases in which the Widow of the deceased would be entitled to be placed on the Pension List; it be shown that the Children have no other Pension, Provision, or Allowance from the Government, and that their pecuniary circumstances, and those of their parents, are so limited, that they actually require from the Compassionate Fund.

16. The claims of the Children will be considered according to the length, nature, and merit of the service of the Father; and as far as the decision upon the claims is governed by Regulation, in the following order:

- 1st. Children of Officers killed in action.
- 2nd. Children of Officers dying from illness in the Service.
- 3rd. Orphans having neither Father nor Mother.
- 4th. Children of Officers dying on Full-Pay.
- 5th. Children of Officers dying on Half-Pay.
- 6th. Children of Officers dying on Full-Pay.

17. The Allowances granted to the Sons of Officers be continued until they attain the Age of Eighteen, or otherwise previously provided for;—and their Daughters may be continued until they marry, or the Age of Twenty-one, whichever shall first happen, longer; except in very special cases, in which it

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commander-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed) shall have no share in prize taken by the ships and vessels remaining on the station after he has passed the limits thereof.

PROCEEDINGS IN VICE-ADMIRALTY COURTS ABROAD.

Her Majesty has been pleased, by Her Order in Council, of the 9th September, 1865, to establish the following Rules touching the practice to be observed in Vice-Admiralty Courts, in Proceedings instituted on behalf of Her Majesty's Ships; and the Lords Commissioners of the Admiralty desire to point out to Commanding Officers that the Accountant-General of the Navy will not, after the 1st January, 1866, pay costs incurred in such Courts, Her Majesty's Order in Council of the 22nd October, 1859, being now repealed:—

1. Whenever any proceeding has been instituted in any Vice-Admiralty Court within Her Majesty's dominions, by or on behalf of any of Her Majesty's Ships, for or in respect of any of the matters enumerated in the 12th Section of the Naval Agency and Distribution Act, 1864, the Proctor who shall have conducted such proceeding on behalf of Her Majesty's Ship shall, on the termination of the suit, submit his Bill of Costs for taxation, and the Court shall thereupon tax the same as between Proctor and Client.

2. If in any such proceeding any proceeds have been realized and are remaining in Court, the Court may order the amount at which the Bill of Costs has been taxed to be paid thereout, and the balance of the proceeds, if any, shall thereupon be paid to the Senior Commissariat Officer in the colony, to the end that the same may forthwith be remitted to this country.

3. If there are not any proceeds, or if the proceeds are insufficient to pay the costs, the Commanding Officer shall either by himself or through the Agent of the Ship make provision for the payment of any sum that may be due in respect of any such proceeding as may have been instituted in the Court.

PRIZE MONEY.

4. The Registrar of the Vice-Admiralty Court shall, as soon as he has taxed the Bill of Costs, and whether the amount thereof has or has not been paid out of the proceeds, forward the same to the Registrar of the High Court of Admiralty of England, together with a Certificate, signed by himself, stating the amount of the proceeds, if any, the payments thereout, and the balance which has been paid to the Commissariat Officer.

5. The Agent for the Ship shall, when the proceeds and bounties have been paid to the Naval Prize Account, leave with the Registrar of the High Court of Admiralty of England his account for taxation, and may include therein any charges that may have been paid by the Commanding

Officer or by himself, and the Registrar may direct the amount at which he shall have taxed the said account to be paid out of the proceeds and bounties standing in the Naval Prize Account to the credit of the Prize.

6. The Registrar of each Vice-Admiralty Court shall, within a month after the termination of each quarter, send to the Registrar of the High Court of Admiralty of England a Return, signed by himself, in the form marked in hereto, of all Prizes in respect of which any proceeds have been taken in such Vice-Admiralty Court during the quarter.

7. These Regulations shall come into operation on 1st day of January, 1865.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS by the Naval Agency and Distribution Act, 1864, it is enacted (among other things) that the several shares of any money in the several cases in the said Act enumerated distributable among the officers and crew of Her Majesty's ships-of-war shall be paid to the persons entitled thereto, in such manner and subject and persons according to such restrictions, conditions, and provisions as might from time to time be directed by Order in Council: And whereas it is by the said Act also enacted that Her Majesty in Council may from time to time make such orders as may seem meet for the better execution of the said Act:

CIRCULAR No. 25.—L.

Admiralty, 14th July, 1866.

(CAPTURE OF VESSELS ENGAGED IN SLAVE TRADE, &c.—EXPENSES INCURRED IN PROSECUTING.)

My Lords Commissioners of the Admiralty having had under their consideration the difficulty, which has been in some instances experienced by the Commanding Officers of Her Majesty's Ships, in meeting the legal expenses, necessarily attending the prosecution, before Courts of Vice-Admiralty and Mixed Commission, of Vessels captured by them on suspicion of being engaged in the Slave Trade or in Piracy, their Lordships are pleased to authorise the temporary application of Public Money, in payment of these expenses, under the following conditions:—In the event of the Commanding Officer of one of Her Majesty's Ships being unable to pay, from his own resources, the legal expenses of prosecuting a Ship or Vessel, captured under the circumstances stated above, he will be at liberty to demand from the Paymaster of his Ship an advance of Public Money for the purpose. The amount of such advance, which must not exceed 100*l.*, will be placed as a charge against the pay of such Commanding Officer.

It is desirable that the approval of the Commander-in-Chief, or Senior Officer on the Station, should be obtained, before such application of Public Money; but should the delay necessary to obtain such approval be in any case inconvenient, the advance may be made on the sole authority of the Commanding Officer of the Ship; the case being afterwards reported to the Commander-in-Chief or Senior Officer.

By Command of their Lordships,

W. G. ROMAINE.

TREASURE PLACED ON BOARD H.M.'S SHIPS FOR CUSTODY ONLY.

Admiralty, 4th June, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from our place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains as freight for conveyance would have been—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. Croker

BY THE KING.

ure belonging to the State such sums as they consider themselves entitled to, but that all claims for Freight on Public Treasure be submitted in the usual manner to the Lords of the Treasury for such orders as may appear to them to be required.

And with reference to the Circular Order of 4th June, 1840, granting an allowance for Treasure deposited on board Her Majesty's Ships for Custody only, as if such deposit were a conveyance from one place to another under the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private Individuals only.

ENTRY AND DISCHARGES OF PETTY OFFICERS, SEAMEN AND MARINES.

CIRCULAR No. 31.—N.

Admiralty, 23rd August, 1886.

(DIRECTIONS FOR THE EXAMINATION OF OFFICERS, MEN, AND BOYS FOR ADMISSION INTO THE ROYAL NAVY AND MARINES.)

My Lords Commissioners of the Admiralty are pleased to issue the following regulations for the Medical Examination of Officers, Men, and Boys for the Royal Navy and Marines, in lieu of those contained in article 34, pages 387 and 398 of the Queen's Regulations and Admiralty Instructions, and in article 14 of the Instructions to Surgeons and Agents of Sick Quarters.

When a Medical Officer is directed to examine any person for admission into the Naval Service, or into the Royal Marines, he is first to observe whether he has any marks of wounds, or injuries of the bones of the head, whether his eyesight or hearing is defective, whether he is deformed, lame, or has an impediment of speech, or weakness of intellect, and should any of these or other mental or physical defects exist to such an extent as might, in the opinion of the Examining Officer, disqualify him for the efficient discharge of his duty, he is at once to report him unfit without carrying the examination further.

On the contrary, should the person present no outward appearance of unfitness, he is to be directed to divest himself entirely of his clothes; and the Medical Officer is then to satisfy himself, by a careful inspection of the entire cutaneous surface, that it is not only in itself free from disease, but that it shows no evidence or sign of the existence of any internal complaint or constitutional derangement.

He is to ascertain that there is a proper and just proportion between the different members of the body, that there is no spinal weakness or deformity, that the limbs are of equal length, strong, and well developed, that there are no visible marks of previous fracture, depression, or disease of the bones of the head, nor adherent cicatrices, that the eyes are clear, intelligent, and expressive of health, the eyesight good, and the hearing perfect in both ears, that there is no defect or deformity of the bones of the nose, and that the teeth are good, strong, and sufficient in number.

The chest should be carefully examined in reference to its form and capacity, and the condition of the heart and lungs ascertained by percussion and auscultation.

The abdomen is next to be examined for the purpose of detecting any enlargement or disease of the contained viscera, or predisposition to hernia from whatever cause.

The Examining Officer shall next direct the person to extend, and slowly raise his arms until the hands meet above his head; he is then to perform the various movements of the shoulder, elbow, and wrist joints; to flex and extend, supinate and pronate the forearm; to flex and extend the fingers and thumbs; and, by holding on by a rope, show that he can bear the weight of the body clear of the ground without any difficulty, with each hand, for at least five seconds.

In the examination of the lower extremities, the person is to be made to walk backwards and forwards, to hop first on one foot, and then on the other, to flex and extend the limbs and feet to show that the movements of the various joints can be freely and rapidly performed.

Persons of whatever class, or age, who are found to be labouring under any of the undermentioned physical defects or infirmities, are to be considered unfit for Her Majesty's Service:—

1. A weak constitution arising from imperfect development, or weakness of the physical powers of the body, or from chronic disease, constitutional depravity, wounds or injuries.

2. Chronic eruptions on the skin or scalp: syphilis, primary or constitutional; gonorrhoea; extensive cupping, leeching, or blistering, or of issues. The punishment are to be reported to the Commanding Officer.

3. Malformation of the head, with a dry, harsh, dry state of the hair of the scalp, fracture or depression of the bones of the skull, disordered intellect or imbecility, or paralysis, or impediment of speech.

4. Blindness or defective vision in one or both eyes, lachrymalis, and ptosis.

5. Impaired hearing, or discharge from one or both ears, or thickening of the lining membrane of the ear.

6. Disease of the bones of the nose or of its cartilage, polypus.

7. Disease of the throat, palate, or tonsils: unwholesome offensive breath from constitutional causes, tubercular, scrofulous disease of the glands of the throat or tonsils, cicatrices, whether from scrofulous sores or ulcers.

8. Functional or organic disease of the heart, vessels, deformity or contraction of the chest, of the sub-clavicular regions, phthisis, hæmoptoe, dyspnoea, aphonia, chronic cough, or other signs of tubercular exudation into the pulmonary tissues.

9. Swelling or distension of the abdomen, tubercular disease or enlargement of the liver, spleen, or rupture, weakness or distension of the abdominal stricture of the urethra, incontinence of urine or fistula.

10. The non descent of one or both testicles, hydrocele, and sarcocele.

11. Fistula or fissure of the anus, hæmorrhoids, piles, or prolapsus of the rectum.

12. Paralysis, weakness, impaired motion, or loss of the upper or lower extremities from vascular aneurism, a varicose state of the veins, especially of the legs, chalky deposits, bunions, distortion, deformity, or contraction of the fingers or toes; moles; flat-footedness.

13. Distortion of the spine, of the bones of the pelvis, from injury or constitutional defect.

No person is to be admitted into Her Majesty's Service who has had smallpox, or has been vaccinated, and vaccine cicatrix not be considered satisfactory, unless reported fit only on condition that he immediately to the operation.

As it is clearly possible that some of the physical defects or disabilities may exist in a very minor degree, the Examining Officers must necessarily, in such cases, by their own judgment as to whether they are of importance as entirely to disqualify a man or not for Service; observing, however, that no person is to be admitted unless he is likely to continue efficient and sound in any climate, and under all the vicissitudes of the service for a period of not less than ten years.

All persons examined for entry into the Royal Navy or Marines by a Medical Officer, are to be entered in the Medical Journal of the ship, in the Naval Returns from Hospitals and Marine Infirmaries, and in the Returns rendered by Surgeons and Agents to the Admiralty. A boy who has been reported fit for the service by a Medical Officer of the Royal Navy or of the Royal Marines, is again subjected to examination, unless he remains in continuous service, or there is reason to believe he is labouring under some disability contracted or incurred during his entry,—or, on going on foreign service.

RICHARD G. LEE

"The Majesty's Land Forces, when embarked on board of Her Majesty's Ships, shall be subject to the provisions of the Act, to such extent and under such regulations as Her Majesty, Her Heirs and Successors, by any Order in Council, shall at any time or times

"And whereas we are of opinion that it would conduce to the better maintenance of order and discipline on board Your Majesty's Ships in which Your Majesty's Land Forces may be embarked if the following Regulations were established, namely:—

"1. Whenever any of Your Majesty's Land Forces, or any Royal Marines formed into a separate Corps or Battalion, shall be embarked as passengers in any of Your Majesty's Ships, the Officers and Soldiers shall, from the time of embarkation, strictly observe the laws and regulations established for the government and discipline of Your Majesty's Navy, and shall for these purposes be under the command of the Senior Officer of the Ship as well as of the Superior Officer of the Squadron, if any, to which such Ship may belong.

person, cause him to be put under arrest, or to be confined as a close prisoner, and shall thereupon, if he thinks the case requires it, transmit a report, in writing, of the charges against such Officer or Soldier to his Superior Officer, or if there be no Senior Officer present to the Commander-in-Chief of Land Forces, in order that the offender may be brought before a Military Court-Martial.

"3. If any Officer or Soldier commits any act which, in the opinion of the Commanding Officer of Troops, requires a trial by Court-Martial, such Commanding Officer shall cause him to be disembarked on the first opportunity, or to be removed to a transport ship, and be there proceeded against according to the Military Law.

"No Military Court-Martial shall be held on board any of Your Majesty's Ships in commission.

"4. If any private Soldier shall commit any act against the good order and discipline of the Ship, the Commanding Officer of the Ship shall, if he thinks the case requires the summary infliction of punishment, apply for the concurrence, in writing, of the Commanding Officer of the Troops, as to the nature and amount of such punishment,

if any, to be inflicted, and upon obtaining such concurrence in writing shall, by warrant under his hand, sentence the offender to suffer such punishment accordingly.

"5. The sentence shall in all respects conform to the provisions contained in the Naval Discipline Act, 1864, relating to summary punishments awarded by Commanding Officers.

"6. If the Commanding Officer of the Troops shall decline to give his concurrence as aforesaid, he shall state his reasons in writing, and deliver the same to the Commanding Officer of the Ship.

"Your Majesty's Secretary of State for War, and His Royal Highness the Field Marshal Commanding-in-Chief have signified their concurrence in these Regulations.

Her Majesty, having taken the said Memorial into consideration, was pleased by and with the advice of the Privy Council, to approve of what is therein proposed, and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions accordingly.

(PAY, PENSION, ALLOTMENTS, UNCLAIMED PAY, STOPPAGE OF PAY BY "R" MEDALS AND DECORATIONS, PRIZE MONEY.)

My Lords Commissioners of the Admiralty are pleased to direct that the following Regulations, recently made or renewed by the Acts of Parliament and Orders in Council respectively quoted, be promulgated for the information and guidance of all Officers, Naval and Civil, and others to whom the same may relate.

By Command of their Lordships,

C. PAGET.

Pay and Pension.

Any assignment, sale, or contract of or relating to any Pay, Wages, Bounty Money, Grant, or other allowance in the nature thereof, payable in respect of services in Her Majesty's Naval or Marine Force to a person being or having been a subordinate officer, seaman, or marine is void.

Any assignment, sale, or contract relating to any Naval Pension, Allowance from the Compassionate Fund, Half-Pay, or Marine Half-Pay, is void.

A seaman or marine discharged from one ship to another shall not be rated lower in the latter ship on or in consequence of such discharge or transfer.

Allotments.

Where the Wife, being allottee, dies or deserts her children, or so misconducts herself as to be considered undeserving of support from her husband, the Admiralty may stop further payment. And if in any such case there is a Child of the Seaman or Marine allotting unprovided for, the Admiralty may revoke the authority for payment to the Wife, and make out a new authority in favour of a proper person, recommended for the purpose, resident in the parish where the Child is, that such person may apply to the maintenance of the Child the money allotted.

Where a Wife being allottee becomes of unsound mind, the Admiralty may stop further payment under the allotment, revoke the authority for payment to the Wife, and make out a new authority in favour of a proper person recommended for the purpose; that such person may apply, for the benefit of the Wife and the Children (if any) of the Seaman or Marine allotting, the money allotted.

Unclaimed Pay.

Pay shall be deemed forfeited if within six years from the 1st day of January next following the time when it became payable—

(1.) If it is not claimed; or

(2.) A claim made to it is not proved to the satisfaction of the Admiralty;

The Admiralty may, however, if they see good cause, in any case remit such forfeiture.

Stoppage of Pay by "R."

A person against whose name the letter "R" is placed in the Books of the Ship to which he belongs, as denoting a deserter, shall not, while the "R" so remains, be entitled to receive his Pay; but the Admiralty may, in any case if they think fit, order the "R" to be removed, and authorise payment of the Pay accrued.

Medals and Decorations.

Medals and Decorations belonging to Officers, Seamen, and Marines dying on service shall be preserved for delivery to their representatives, unless representation be taken out by a creditor as such, in which case any such Medal or Decoration shall be disposed of as if it had not been issued to the deceased.

Prize Money.

Any Assignment made by a Warrant Officer of any Prize Money shall be void unless it truly expresses the consideration money actually paid by the person in whose favour it is made to the person making it, and upon any such Assignment there shall be paid so much money only as appears to have been actually paid as consideration for the same, with interest thereon at 5 per cent. per annum.

Only Commissioned and Warrant Officers, and Assistant Engineers of the 2nd Class amongst Subordinate Officers, can make valid Assignments of Prize Money.

Any share of Prize Money of any other person can only be paid to himself, or the person named in an order drawn by him as hereinafter prescribed.

(The foregoing restriction does not, however, apply to any Prize Money remaining unpaid on the promotion of a Subordinate Officer to the rank of Commissioned Officer, or of a Seaman to the rank of Warrant Officer.)

Every Prize Order:—

Must be drawn on a printed form issued by the Accountant-General of the Navy;

And in favour of some one or other of the following persons by name:

The Drawer's Wife:

" Father or Mother;

" Son or Daughter;

" Brother or Sister;

any of whom must be so described in the Order.

Unclaimed and forfeited shares of Prize Money:—

If the share of any person is not duly claimed within six years after it is payable to him, it shall be deemed unclaimed, and shall be dealt with accordingly.

Notwithstanding that any such share has been forfeited or is unclaimed, the Admiralty may, if they see good cause, pay the same out of the Naval Prize Cash Balance.

CIRCULAR No. 13.—P.

Admiralty, 30th February, 1874.

LONG SERVICE AND GOOD CONDUCT MEDAL.

My Lords Commissioners of the Admiralty having under their consideration the effect which their recent orders to the discharge of all men on completing their time of Pension will have on their chances of obtaining Long Service and Good Conduct Medals, which by the present Regulations can only be awarded when ships are paid off; I am acquainted you that, in future, Commanding Officers of the Fleet may recommend men for Medals during the period of Ship's Commission, provided no more are recommended the course of three years than would be allowed on paying-off of the ship, according to the scale laid down in Article 5, page 247, of the Queen's Regulations.

Thus, the Commanding Officer of a Ship with 40 men may recommend four men for Medals with gratuities; four men for Medals without gratuities in the course of three years.

Commanding Officers are not, however, in the second year of Commission, to recommend men a whole number of Medals allowed to a Ship, but to spread their recommendations as equally as possible a period of three years.

No Medals will be given on the paying-off of Majesty's Ships unless the number allowed for the complement has not been awarded during the period of commission.

Consequent Ships, Receiving Ships, Store Ships, and Stationary Ships abroad, will be included in this allotment.

Supernumeraries are not to be reckoned as part of Ship's complement for the grant of Medals.

In recommending them for Medals under the Regulations, Commanding Officers are to report how many Medals have been already given during the period of the Ship's mission, and the dates when they were awarded.

By Command of their Lordships,

VERNON LOMAX

To all Commanders-in-Chief, &c.

With reference to Article 7, page 240, and 35, of the General Regulations, on the subject of Certificates being given to Officers and Men who are injured on duty, and who are in consequence of injuries considered unfit for further service; and reference to Article 25, page 394, of the General Regulations, which directs that Medical Officers are to report cases of hurts which may constitute a claim for a pension; my Lords are pleased to issue the following directions, great inconvenience having been experienced from the want of proper documents in settling the claims of applicants for compensation for minor injuries not alleged to have been received in the Service, when the men have been ultimately discharged to Pension.

2. In future, Parchment Certificates for Injuries No. 12) are to be given before the men leave the Marine Division in which they were injured, in cases of wounds or hurts received in an act of duty, such injury disables the men from continuing in the Service.

3. The nature of the injury is to be described altogether with the manner in which it was received, the particular act of duty on which the man was employed at the time, and whether he was sober or not.

4. They are not to be given for wounds or hurts on leave (except in an act of duty whilst on leave), occasioned by drunkenness or other improper conduct, or to be confined solely to injuries received in an act of duty.

5. In all reports of injuries, including the entries in the Sick List, Medical Officers are to be careful to state how the injury was received, and whether or not the man was engaged in an act of duty, and sober at the time.

6. Care must also be taken that the Certificate, signed, if possible, by some Executive Officer who was present at the accident, in addition to the Commanding Officer of the Ship or Marine Division and the Surgeon.

7. Certificates for Rupture to be given under the Regulations as at present.

8. A notice is to be posted up on board all Ships at all Coast Guard Stations and Marine Barracks, to the effect that no injuries received after the date hereof will be considered when men are finally discharged from Service, unless they can produce proper Hurt Certificates.

 VISCOUNT LUBBOCK.

Dei Commendat in-Chief, &c.

At the Court at Osborne House, Isle of Wight,
 the 30th day of February, 1870.

PRESENT:

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable Lords Commissioners of the Admiralty, dated the 2nd day of December, 1869, in the words following, viz.—

"That we have under consideration the subject of the Table Money allowed at the public cost to the Commanders-in-Chief of Your Majesty's Ships and Vessels at Home; their Secretaries; and the Superintendents of Your Majesty's Dockyards at Home; and whereas We are of opinion that it would be for the advantage of Your Majesty's Naval Service, and a saving of expense to the Admiralty, if a composition were granted to such Officers to provide their own Servants; We humbly recommend that Your Majesty will be graciously pleased, by Your Order in Council, to establish the following Commuted Allowances proposed in the following Table—

Rank.	Commuted Allowance.
Commander-in-Chief . .	£ 500
Ditto	300
Ditto	400
Ditto	250
Secretary to Com.-in-Chief	40
Ditto	40
Ditto	40
Ditto	40
Admiral Superintendent .	300
Ditto	300
Ditto	125
Ditto	125
Ditto	125

This change to take place from the 1st April next, except in the case of the recently appointed Commanders-in-Chief at Devonport and Queenstown, and any other Commanders-in-Chief who may be appointed before that date.
 "And whereas we are further of opinion that the existing Office of Flag-Lieutenant to the Admirals Superintendents of the Dockyard at Home is no longer required, and that unnecessary expense is consequently occasioned to the public; We humbly beg leave to recommend that Your Majesty will be graciously pleased, by Your Order in Council, to abolish such Offices from the 1st of April next, or before then in case of any fresh appointment of a Superintendent.
 "And whereas We have also had under our consideration the existing regulations on the subject of the Table Money allowed to the Commanders-in-Chief at Home, and Admirals Superintendents of Your Majesty's Dockyards at Home; and being humbly of opinion that it would be for the advantage of Your Majesty's Naval Service, if, when such Officers are on leave, they should not altogether lose their Table Allowances; We beg leave to submit that Your Majesty will be graciously pleased to sanction our proposal, that, from the first of October last, Commanders-in-Chief at Home and Admirals Superintendents of Home Dockyards, be allowed half the amount of their Table Money during short leave of Absence when granted by the Admiralty, not to exceed six weeks in the year. The Lords Commissioners of Your Majesty's Treasury have signified their approval of these proposals."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

(Signed)

ARTHUR HELPS.

CIRCULAR No. 43.—8.

Admiralty, 22nd July, 1870.

(POSTAGE OF OFFICERS' LETTERS.)

The Lords of the Treasury have notified to their Lordships, that the privileges at present accorded to the Correspondence of Officers serving on board Her Majesty's Ships abroad, are to be withdrawn, and that, after the termination of the present year, the Officers of the Royal Navy will be placed on the same footing as the general public in regard to the postage of their letters.

By Command of their Lordships,

VISCOUNT LUBBOCK.

To all Commanders-in-Chief, &c.

REGULATIONS RESPECTING FOREIGN ORDERS.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force.

1. No Subject of Her Majesty shall accept a Foreign Order or Medal of any foreign country, or wear the same, without having previously obtained Her Majesty's sanction to that effect, signified by a Warrant under the Great Seal.
 2. No permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred on him for active and distinguished Service in the Army, either at Sea or in the Field; or unless he has been actually and entirely employed, beyond the limits of the Kingdom, in the Service of the Foreign Government, when the Order is conferred.

3. The permission of a Foreign Sovereign to confer upon a Subject of Her Majesty an Order, must be notified to the Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister Resident at the Court of Her Majesty.

4. In the service for which it is proposed to confer the Order, the person concerned during War, the Notification must be given in the following form:—

than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on such application, and shall have obtained Her Majesty's per-

mission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Application for permission to accept and wear Medals, which, not being the decoration of any Foreign Order conferred by a Foreign Sovereign on British Subjects in Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Secretary of the Admiralty, who, if they see fit, may submit the application to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which they may grant such permission without any formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the person to whom Her Majesty's sanction is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

Foreign Office, May 10th, 1855.

THE VICTORIA CROSS.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-Commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalled themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

Firstly. It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll, bearing this inscription, "For Valour."

Secondly. It is ordained, that the Cross shall be suspended from the left breast by a blue riband for the Navy and by a red riband for the Army.

Thirdly. It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly. It is ordained, that any one who, when he received the Cross, shall again perform an act of gallantry, which, if he had not received such Cross, would entitle him to it, such further act shall be recorded on a Bar attached to the riband by which the Cross is worn, and for every additional act of bravery an additional Bar may be added.

Fifthly. It is ordained, that the Cross shall only be awarded to those Officers or men who have served with distinction in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly. It is ordained, with a view to place all on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor any other circumstance or condition, shall ever, save the merit of conspicuous bravery, be held to establish a sufficient claim to the honour.

Seventhly. It is ordained, that the Decoration shall be conferred on the spot where the act to be rewarded took place, and that such Decoration has been performed, and the following circumstances:—

1. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

2. Where the Naval or Military Forces are under the command of an Admiral or Commander, or of a Captain commanding a squadron or detached naval force, or of a General Officer commanding a corps, or division or brigade, or of a detached service, when such Admiral, Commander, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly. It is ordained, where such act has been performed in sight of a Commanding Officer aforesaid, then the claimant for the honour shall apply to the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and the Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or General Officer commanding the force employed on the spot, or to the Officer commanding the force in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Firstly. It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated by the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with a review of his special distinction.

Secondly. It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall be inscribed in a General Order as above mentioned, such General Order to be issued by the Naval or Military Commander of the Forces employed on service.

Thirdly. It is ordained that the General Orders above mentioned shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be duly registered.

Fourthly. It is ordained that no cases may arise not covered by the rules above specified, or in which a doubt well founded, may now have been raised. We will, on the joint recommendation of Our Secretary of State for War and of Our Commander-in-Chief of the Army, or on that of Our Lord High Admiral, determine the circumstances of the Admiralty in the case of the award of the Decoration, but never without consideration of the performance of the act of bravery for which it is made.

Fifthly. It is ordained that, in the event of a gallant deed having been performed by a command, or by a detached body of Seamen and Marines, or by a number, or by a brigade, regiment, or company, in which the Admiral, General, or other commanding such forces, may deem that all the persons and distinguished, and that no special notice can be made by them; then, in such case, the Admiral, General, or other Officer commanding, may give to any such body of Seamen or Marines, or company or company of Soldiers, one Officer shall be named by the Officers engaged for the Decoration, and the names of the Petty Officers or Non-Commissioned-Officers engaged; and two Seamen or

Private Soldiers, or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

Fourthly. It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-Commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-Commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifthly. In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstances demanding such erasure; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace, this twenty-sixth of January, in the nineteenth year of Our reign and in the year of Our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,
PANMURE.

THE ALBERT MEDAL.

BY REVOKING A WARRANT dated the 7th March, 1866, instituting a NEW DECORATION to be styled "THE ALBERT MEDAL," and instituting in lieu of TWO NEW DECORATIONS, to be styled respectively "THE ALBERT MEDAL OF THE FIRST CLASS," and "THE ALBERT MEDAL OF THE SECOND CLASS."

WE, R. BY THE GRACE OF GOD, OF THE UNITED KINGDOM OF GREAT BRITAIN, AND IRELAND, QUEEN, Defender of the Faith, do, to all to whom these presents shall come, command:

That a Warrant was given under our Royal Sign Manual, bearing date the 7th day of March, 1866, in the 19th year of Our reign, intituled "a Warrant instituting a new decoration, to be styled 'The Albert Medal,'" and that the same be in the terms following, that is to say,—

WE, R. BY THE GRACE OF GOD, OF THE UNITED KINGDOM OF GREAT BRITAIN, AND IRELAND, QUEEN, Defender of the Faith, do, to all to whom these presents shall come, command:

That, in taking into Our Royal consideration the merits of the act, and taking also into consideration the danger of general such loss, and to save the public mind from being misled by the fact that persons who are in danger of perishing by reason of the same, and taking also into consideration the expediency of distinguishing such efforts by the mark of Our Royal favour: Now, for the purpose of

attaining an end so desirable as that of rewarding such actions as aforesaid, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a new Decoration, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

First.—It is ordained that the distinction shall be styled "The Albert Medal," and shall consist of a gold oval-shaped badge or decoration, enamelled in dark blue, with a monogram composed of the letters V. and A., interlaced with an anchor erect, in gold, surrounded with a garter in bronze, inscribed in raised letters of gold "For Gallantry in Saving Life at Sea," and surmounted by a representation of the crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of five-eighths of an inch in width, with two white longitudinal stripes.

Secondly.—It is ordained that the Medal shall be suspended from the left breast.

Thirdly.—It is ordained that the names of those upon whom We may be pleased to confer the decoration shall be published in the "London Gazette," and a registry thereof kept in the Office of the Board of Trade.

Fourthly.—It is ordained, that any one who, after having received the medal, again performs an act which, if he had not received such medal, would have entitled him to it, such further act shall be recorded by a bar attached to the medal, by which the Medal is suspended, and for every such additional act an additional bar may be added.

Fifthly.—It is ordained, that the Medal shall only be awarded to those who, after the date of this instrument,

have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives; and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

Sixthly.—In order to make such additional provision as shall effectually preserve pure this most honorable distinction, it is ordained that if any person on whom such distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decoration, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited; and every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration.

And WHEREAS it has been represented to Us, that mariners and others perform many acts in preventing loss of life from shipwreck and other perils of the sea, that are not of a character sufficiently daring and heroic to bring them under Our Warrant above cited, and are yet worthy of some distinguishing mark of Our Royal favour. And whereas, We, taking into Our consideration that it is expedient to reward such mariners and others who perform heroic actions to prevent loss of life from shipwreck and other perils of the sea, are pleased in place of the Decoration created by Our Warrant of the 7th March, 1866, to institute and create two Decorations, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

First.—It is ordained, that one of the said two Decorations shall be styled "The Albert Medal of the First Class," and shall consist of a gold oval-shaped badge or decoration, enamelled in dark blue, with a monogram composed of the letters V. and A., interlaced with an anchor set in gold, surrounded with a garter in bronze, inscribed in raised letters of gold, "For Gallantry in Saving Life at Sea," and surmounted by a representation of the crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of an inch and three-eighths in width, with four white longitudinal stripes.

Secondly.—It is ordained that the other of the two distinctions shall be styled "The Albert Medal of the Second Class," and shall consist of the like shaped enamelled badge, save

and except in this class it shall be entirely worked in bronze, instead of gold and bronze, and suspended from a dark blue riband of five-eighths of an inch in width, with two white longitudinal stripes.

It is ordained that each Medal shall be suspended from the left breast.

Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer either of these decorations shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

Fourthly.—It is ordained, that any one who, after having received either of the Medals, again performs an act which if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a warrant to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

Fifthly.—It is ordained, that the Medals shall only be awarded to those who, after the date of the said Warrant of the 7th March, 1866, have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

Sixthly.—It is ordained, that the Albert Medal of the First Class shall be confined to cases of extreme and heroic daring, and that the Albert Medal of the Second Class shall be given in cases which, though falling within the one contemplated by this Warrant, are not sufficiently distinguished to deserve the Albert Medal of the First Class.

Seventhly.—In order to make such additional provision as shall effectually preserve pure this most honorable distinction, it is ordained, that if any person on whom such distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decorations, his name shall forthwith be erased from the registry of individuals upon whom the said Decorations shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited; and every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration.

Given at Our Court at St. James's, this twelfth day of April, one thousand eight hundred and sixty-six, the thirtieth year of our said Majesty's reign.

By Her Majesty's command,

S. H. WALPOLE.

HUMANE SOCIETY'S MEDALS.

CIRCULAR No. 11.—C.

Admiralty, 19th March, 1869.

HUMANE SOCIETY'S MEDALS.

The Royal Humane Society having made arrangements for reducing the size of their Medals, in future, in order to admit of their being worn, and for granting Clasps and Bars for subsequent acts of bravery, in cases where a Medal

has been already granted,—my Lords Commissioners of the Admiralty are hereby to notify to the Officers, Men of Her Majesty's Navy and Marines their permission to wear such Medals and Clasps and Bars awarded by the Humane Society.

By Command of their Lordships,

W. G. ROBERTS.

To all Commanders-in-Chief, &c.

LAND PRIVILEGES IN THE COLONIES TO NAVAL AND MILITARY OFFICERS.

The only Colonies which now offer land privileges to Naval and Military Officers are British Columbia, Newfoundland, Natal, Ceylon, and Western Australia.

The Officers to whom such privileges are offered are (a) Naval Officers of the Military Branch, of all grades not lower than that of Sub-Lieutenants; (b) Military Officers of all grades not lower than that of Subalterns of seven years' standing; (c) Regimental Staff Officers; and (d) Medical Officers of both Services, of not less than five years' standing.

The Officers not entitled to land privileges are (a) and (b) Military Chaplains; Communicant Officers; Surgeons under seven years' standing; Medical Officers of the five years standing; Midshipmen; Cadets; Warrant Officers of every description; Officers of any of the Branches of the Navy or Army; and, lastly, Officers who have ceased for the space of three calendar months to belong to Her Majesty's Service and have not submitted a Memorandum of Rank and Service hereinafter mentioned.

In British Columbia a certain quantity of land is

in his acquisition of purchase money. In the four other Government Colonies, land must be purchased under the regulations for the time being in force in the Colony, and a certain amount of the purchase money is then remitted. These allowances are regulated by the rank and length of service of the Officer, as shown in the following table—

IN BRITISH COLUMBIA.

	Acres.
Field Officers of 15 years' service, in the whole	600
Field Officers of 20 " " "	500
Field Officers of 18 " " "	400
Captains of 20 years' service and upwards, in the whole	400
Captains of 15 years' service or less in the whole	300
Subalterns of 20 years' service, and upwards in the whole	300
Subalterns of 7 years' service and upwards, in the whole	300

TASMANIA, NANTAL, CYKLON, AND WESTERN AUSTRALIA.

Subalterns of 25 years' service and upwards, in the whole	£
Subalterns of 20 years' service and upwards, in the whole	500
Subalterns of 15 or less years' service, in the whole	400

Captains of 15 years' service or less, in the whole	300
Subalterns of 20 years' service and upwards, in the whole	300
Subalterns of 7 years' service and upwards, in the whole	300

Although these tables refer only to Military Officers, they apply to Naval Officers, who will receive allowances according with their relative rank to Officers in the Army, as provided in Her Majesty's Order in Council of 1865. No Officer is to avail himself of these privileges without a Memorandum, if a naval man, from the Commanders of the Admiralty, and if a military man, from the Office of the General Commanding-in-Chief, as to his rank, length of service, and date of retirement.

This document will not be issued more than once to the same officer; and it must, within one year from the date of the Officer's retirement, be presented to the Governor of one of the above-named Colonies, otherwise the Officer will not be entitled to any land privileges in the Colony.

No document from the Office of the Secretary of State is necessary.

As the sole object of the Regulations is to encourage the local settlement of naval and military Officers in the Colony, an Officer, on presentation of his Memorandum of Rank and Service to the Governor, will receive in the first instance a Location Ticket only, for the land which in British Columbia he may obtain, or which in either of the four other Colonies he may have purchased to the extent of his remission money.

At the expiration of two years from the date of such Location Ticket, the Officer will receive in exchange for it a Crown Grant, provided he can show to the satisfaction of the Governor, but not otherwise, that he is a bona fide settler in the Colony, and had not only continuously resided therein since the receipt of his Location Ticket, but that he has resided on the land described in it for such length of time, and made substantial and permanent improvements thereon of such description and value as the Governor may have prescribed in any general notice published by his authority in the Government Gazette of the Colony.

If application should not be made for a Crown Grant in exchange for the Location Ticket within a twelvemonth from the expiration of the two years for which it was issued, the Officer's claim will be considered as extinguished, and the land will absolutely revert to the Crown. No transfer of the land will be allowed or be valid until a Crown Grant thereof has been obtained.

But if an Officer has obtained a Memorandum of Rank and Service and dies before he can obtain a Location Ticket, the Governor of the Colony is authorized to make the Memorandum available, as he may think proper, in favour of a child or children or other nearest representative of the deceased, who will then become entitled to the same rights and be subject to the same conditions as attached to the deceased. In case an Officer dies after the Location Ticket has been obtained, the land to which it refers will be granted to his legal representative.

As the land regulations in the above named Colonies are liable at any time to be altered, Her Majesty's Government cannot guarantee the permanence of these regulations—not can the amount of remission in purchase money made to Officers be increased on account of any increased value which may at any time be set up upon the Crown lands in the Colony.

CIRCULAR, No. 76.—N.

Admiralty, 21st October, 1870.

(ENLISTMENT, &c., OF ROYAL MARINES.)

Her Majesty has authorized, by Order in Council of 17th August, 1870, the following alterations in the Regulations as to Enlistment Pay on re-engaging—and Good Conduct Badges of the Royal Marines:

1st. All enlistments for the Royal Marines henceforth are to be without Bounty.

2ndly. The additional Pay of One Penny a-day to men re-engaging for further service, is not to be paid henceforth to any Marine who shall re-engage after the expiration of three calendar months from the date of the receipt of this Circular, in the Division, Depot, Ship, or Station in which he may be serving.

3rdly. On the other hand, my Lords are pleased to shorten the periods which entitle Royal Marines to receive Good Conduct Pay, and to direct that Article 12, Page 7, of the Revised Good Conduct Regulations of 15th February, 1870, be cancelled; and that from the date of this circular the following Article be substituted instead, viz.:

"Art. 12.—A reward of additional pay and good conduct badges is to be granted to every Corporal, Bombardier, Bugler, Gunner, and Private, under the following rules, and at the rates specified:—

"Having served Two Years, provided his character shall have been noted on his Parchment Certificate as:—Very Good, for two years immediately preceding his claim—

"One Penny a-day with one Good Conduct Badge.

"Having served Six Years, and having been uninterruptedly in the receipt of One Penny a-day for two years immediately preceding his claim—
